Bangkok, Thailand

SCAN ME

Welcome

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives. Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges. Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences. These events provide a platform for effective collaborations on the latest research for the worldwide community. Our conferences include exceptional keynote speeches, interactive sessions, and lively debates on research and development in Medicine, Engineering, and Technology. ([click here for more](#))

About Conference

Following an inspiring and impactful year for our global oncology community, we warmly welcome you to the **6th International Conference on Cancer Research and Treatment**, scheduled for **November 20–21, 2026**, in **Bangkok, Thailand**. This year's conference is organized under the inspiring theme: **"Integrating Clinical Excellence and Research Innovation for Better Cancer Outcomes."** Cancer Research 2026 aims to unite some of the world's most influential minds in oncology, providing a powerful forum for exchanging groundbreaking ideas, exploring transformative technologies, and building meaningful collaborations. This global gathering brings together leading researchers, clinicians, surgeons, oncologists, industry pioneers, and academic experts committed to advancing the future of cancer care. The conference will feature a dynamic program with keynote addresses, plenary sessions, interactive panel discussions, oral and poster presentations, and specialized workshops—all designed to highlight cutting-edge discoveries, innovative therapies, clinical trials, and the latest advancements in cancer diagnostics and treatment.
