

6th International Conference on Cancer Research and Treatment

Theme: Integrating Clinical Excellence and Research Innovation for Better Cancer Outcomes

Date
Nov 20, 2026

Venue
Bangkok, Thailand

SCAN ME

Scientex conferences host a plethora of events in various fields, including Medicine, Pharma, Health Science, Life Science, Engineering, and Technology. We organize all our events with the utmost care and diligence, providing top-notch facilities and infrastructure for smooth and successful knowledge transfer among attendees. Our goal is to solve modern scientific problems for the betterment of our lives. Scientex conferences focus on achieving greatness by offering excellent opportunities for professionals to explore the scientific research community and introduce potential breakthroughs. We provide a fitting platform for eminent speakers, innovators, inventors, industry professionals, scientists, academicians, established authors, scientific editors, medical physicians, medical service providers, nursing professionals, research associates, analysts, and students to exchange ideas and find solutions to major global challenges. Our conferences are highly successful, featuring high-quality interactive technical sessions with recent research findings and futuristic trends. We focus on providing workshops and symposiums through well-established industrial and academic tie-ups with various professional bodies, organizations, and top-rated universities worldwide. We bring in eminent speakers with world-class expertise from various countries to enlighten our researchers and spark enthusiasm for research through our best conferences. These events provide a platform for effective collaborations on the latest research for the worldwide community. Our conferences include exceptional keynote speeches, interactive sessions, and lively debates on research and development in Medicine, Engineering, and Technology. ([click here for more](#))

About Conference

Following an inspiring and impactful year for our global oncology community, we warmly welcome you to the **6th International Conference on Cancer Research and Treatment**, scheduled for **November 20, 2026**, in **Bangkok, Thailand**. This year's conference is organized under the inspiring theme: **"Integrating Clinical Excellence and Research Innovation for Better Cancer Outcomes."** Cancer Research 2026 aims to unite some of the world's most influential minds in oncology, providing a powerful forum for exchanging groundbreaking ideas, exploring transformative technologies, and building meaningful collaborations. This global gathering brings together leading researchers, clinicians, surgeons, oncologists, industry pioneers, and academic experts committed to advancing the future of cancer care. The conference will feature a dynamic program with keynote addresses, plenary sessions, interactive panel discussions, oral and poster presentations, and specialized workshops—all designed to highlight cutting-edge discoveries, innovative therapies, clinical trials, and the latest advancements in cancer diagnostics and treatment. Conference Schedule

Day 1 - November 20, 2026 (Friday)

08:55-09:00	-	Registration
09:00-09:15	-	Opening Ceremony and Introduction
09:15-10:30	-	Keynote Session
10:30-10:50	-	Refreshment Break
10:50-12:30	-	Break Out Session
12:30-13:30	-	Lunch
13:30-15:00	-	Break Out Session
15:00-15:30	-	Refreshment Break
15:30-17:00	-	Break Out Session

6th International Conference on Cancer Research and Treatment

November 20, 2026 | Bangkok, Thailand

SPEAKER PRESENTATIONS

Title: Simultaneous presentation of follicular lymphoma and diffuse large b cell lymphoma (DLBCL): A case report

Rosmeri Handayani, Indonesian Education University, Indonesia

Title: Acute limb ischaemia mimicking radiculopathy in metastatic prostate cancer despite full-dose rivaroxaban: A diagnostic pitfall

Abdelaziz Elsalrawy, Mid and South Essex University Hospitals Group, United Kingdom

Title: Effects of hypnotherapy on mood states: Studying the remedial role of hypnosis in cancer care

Vikas Kumar Sharma, Amity University, India

Title: Regenerative strategies in chemotherapy extravasation injury: Biological rationale and clinical application of platelet-rich plasma

Jeffrey Ariesta Putra, Yogyakarta State University, Indonesia

Title: Radiation recall supraglottitis triggered by pembrolizumab in a patient with metastatic non-small cell lung cancer

Brian Oh, Flinders University, Australia

Title: Exploring STEM cell applications in cancer treatment: A systematic bibliometric evaluation

Ahora Cheri, Goethe University Frankfurt, Germany

Title: Extended-interval immunotherapy in advanced lung cancer

Salome Kordzaia, Multiprofile Clinic Consilium Medulla, Georgia

Title: Unexpected aftermath: Leiomyosarcoma arising from radiation therapy post breast cancer surgery

Raghav Kapoor, Rajiv Gandhi Cancer Institute and Research Centre and Aakash Healthcare, India

Title: Short term outcomes of palliative surgery on advanced cancers in a tertiary cancer hospital in low middle country

Suzon Kumar Mazumder, National Institute of Cancer Research and Hospital, Bangladesh

Title: Uptake of technetium-99m sestamibi (99mTc-MIBI) as a predictor of fracture risk in the appendicular skeleton of multiple myeloma patients at a national reference center

Reyna Sarahi Bañuelos Balderas, Orthopedic Oncology of the National Institute of Rehabilitation, Mexico

Title: Once upon a time inside a black hole : A rare case of malignant melanoma of upper alveolus and hard palate

Sanjana GK, SDUMC, Kolar, India

Title: Effectiveness of prophylactic intravenous methylprednisolone in preventing seroma formation following modified radical mastectomy: A prospective case-control study

Sanjana GK, SDUMC, Kolar, India

Title: The efficacy and safety of asciminib in the treatment of chronic myeloid leukemia: A systematic review and meta analysis

Muh'd Saheed Kolawole Abd-Rouf, New Mexico Highlands University, United States of America

Title: A study exploring the roles of desmoplastic reaction, tumor budding, tumor infiltrating lymphocytes, and depth of invasion as potential predictive parameters for extranodal extension in oral squamous cell carcinoma

Trupti Jansari, Sumandeep Vidyapeeth Deemed To Be University, India

Title: Perioperative challenges and anesthetic management in video-assisted radical thymectomy with pleurectomy and hyperthermic intrathoracic chemotherapy (HITHOC): our first institutional experience

Shiladitya Bose, Manipal Hospital, EM Bypass, India

Title: Assessment of rectal dose with thermoluminescent in Vivo dosimetry in high-dose-rate cobalt-60 intracavitary brachytherapy for cervical cancer: A two-arm cohort study using orthogonal images planning

Omega Moses Mlawa, Bugando Medical Centre, Tanzania

Title: B-cell clonality in HCV-induced patients treated with oral direct-acting antiviral agents

Hasan Abd El-Ghaffar, Mansoura University, Egpty

Title: Efficacy of nanocurcumin in preventing paclitaxel-induced peripheral neuropathy among breast cancer patients: Findings from a double-blind, randomized, placebo-controlled clinical trial

Azadeh Moghaddas, Isfahan University of Medical Sciences, Iran

Title: Clinical impact of aberrant DNA methylation in breast cancer

Menha Swellam, National Research Centre, Egpty

Title: To study the clinical course and management of recurrent OSSN in HIV positive patient in eastern uttar pradesh

Aditi Jhunjunwala, Madhav Prasad Tripathi Medical College Siddharthnagar, India

Title: Integrating artificial intelligence and structural biology to improve genetic variant classification in precision cancer medicine

Shristi Biswas, Silver Oak University, India

Title: Neutropenic sepsis in cancer patients: Early recognition and contemporary critical care management

Amit Chauhan, Sumandeep Vidyapeeth Deemed to be University, India

Title: Comparison of child–turcotte–pugh score and albumin–bilirubin index for prognostication in advanced hepatocellular carcinoma: A five-year prospective cohort study from a tertiary cancer centre in a low- and middle-income country

Nishant Sinha, SMIH SGRRU, India
