# Past Event Report

## About Past Event:

Scientex Conference successfully hosted its second series on the “3<sup>rd</sup> International Conference on Oncology Research and Treatment” at City Seasons Hotel, 2 27th St - Port Saeed - Dubai - United Arab Emirates during Nov 30 - Dec 01, 2023 and “3<sup>rd</sup> International Webinar on Oncology Research and Treatment” on December 06-07, 2023 as per the time zone GMT+4. The conference was organized with a theme focused on “The Advancements in Oncology Research and Treatment” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Oncology 2023. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Oncology 2023 Organizing Committee would like to thank the keynote speakers, plenary speakers, delegates and young researchers for making the sessions such a worthwhile experience.

With the grand success of Oncology 2023, we are glad to announce our next upcoming conference “4<sup>th</sup> International Conference on Oncology Research and Treatment” which is going to be held in Bangkok, Thailand during November 28-29, 2024 and “4<sup>th</sup> International Webinar on Oncology Research and Treatment” which has been scheduled during December 05-06, 2024
